**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Affordable broadband is critical to our homes, businesses and schools. A competitive market ensures that consumers like me will have access to better prices.

We have been using the poor service provided by AT&T for years, until Sonic came along.

Many neighborhoods across America are still stuck with just one or tow providers. We need more competition.
